

## WIRE FRAMES

### 1. LOGIN PAGE

A wireframe for a login page. It features a central white box with a light gray border on a grid background. At the top is a white box labeled "LOGIN". Below it are two rows of input fields. Each row consists of a blue label box on the left and a white input box on the right. The first row has "UserName:" and "Please Enter User Name". The second row has "Password:" and "Please Enter Password". At the bottom are two blue buttons labeled "Login" and "Register".

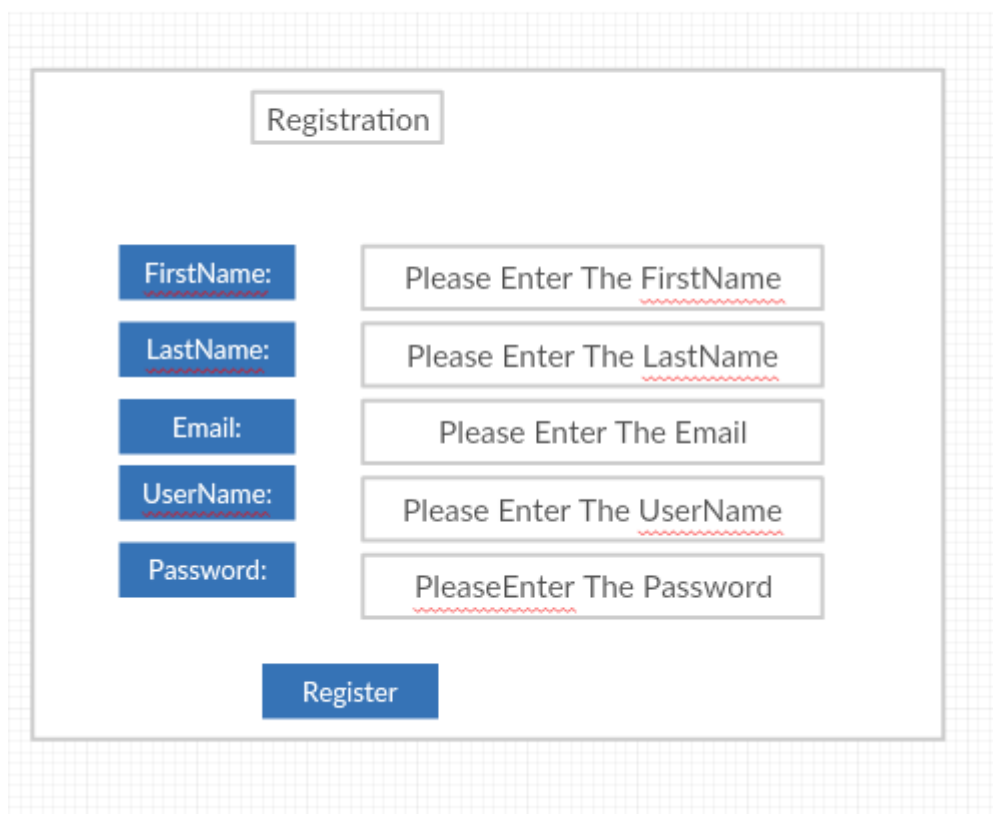

LOGIN

UserName: Please Enter User Name

Password: Please Enter Password

Login Register

### 2. Register Page

A wireframe for a registration page. It features a central white box with a light gray border on a grid background. At the top is a white box labeled "Registration". Below it are five rows of input fields. Each row consists of a blue label box on the left and a white input box on the right. The labels are "FirstName:", "LastName:", "Email:", "UserName:", and "Password:". The input boxes contain the prompts "Please Enter The FirstName", "Please Enter The LastName", "Please Enter The Email", "Please Enter The UserName", and "PleaseEnter The Password" respectively. At the bottom is a blue button labeled "Register".

Registration
